THE BLESSEDNESS OF THE RIGHTEOUS (PSALM 112), PART 1

Ross Haffner

What does it mean to live a truly blessed life? If we asked this question of a hundred people, we might receive a hundred different answers. Some would describe financial security, others good health, a happy family, personal accomplishments, or the freedom to pursue their interests. These are all things people naturally desire. There is a reason we want these things and God provides them. In Psalm 112 we learn that a righteous life is a blessed life.

The psalm does not define blessedness by the absence of trouble or the possession of earthly comforts. Instead, it describes a person whose life is governed by reverence for God and delight in His commandments. It reveals the blessings that accompany such a life, including a godly heritage, generosity, stability, confidence, and a lasting influence. It also contrasts the righteous against the wicked, whose apparent success ultimately comes to nothing.

The authorship of Psalm 112 is unknown. Some have suggested a connection with Israel's return from Babylonian captivity, but this cannot be established with certainty. The psalm is an alphabetical acrostic, with successive lines beginning with the letters of the Hebrew alphabet.

Key Verse

"Praise ye the LORD. Blessed is the man that feareth the LORD, that delighteth greatly in his commandments" (Psa. 112:1).
