TWO PREMISES WORTH CONSIDERING (PART B) 2 TIM. 3:16-17 & 2 PET. 1:3

Bryce Mayfield

Coping is a book written by brother Steven Lloyd. It is a wonderful resource that can help point us to the solution to our problems in this life. In my last article, we looked at the first of two premises that this book was based upon. Do you remember what this premise was? If you said, "The Bible is the Word of God," you would be correct! Do you remember the scripture that this premise is based upon? If you said, "2 Timothy 3:16,17," you would be right again. This week, we will turn our attention to the second premise.

Premise #2: 2 Peter 1:3

"God has granted to us all things that pertain to life and godliness through a knowledge of His Son." (Coping, Lloyd) I want you to think about the phrase, "...all things that pertain to life and godliness..." This quote was first given to us by Peter in 2 Peter 1:3. Do the problems of this life fit into the category of "life?" They absolutely do. This means that

God has given us what we need to navigate, handle, and cope with the problems that lie within this life! We are granted these things through knowledge. How do we get the knowledge we need from God? His Word! Do you see the connection between these two premises now? Let's look at an equation that might help us see the connection.

Premise #1: The Bible is God's Word.
(2 Timothy 3:16,17)

Premise #2: God has granted to us all things that pertain to life and godliness.
(2 Peter 1:3)

Premise #1 + Premise #2 = Everything we need to handle and cope with life's problems.

The one who has God's Word and studies it to gain its knowledge and wisdom is the one who will know how to cope with their problems. May God always be the one we turn to when we are questioning how to navigate our problems in this life.
